INFORMATION

The colors given in this list are as near as I can give.

I grow all the stock I send out and are not forced for large flowers.

Having no control of the roots after leaving me I will not guarantee the crop of flowers given.

I guarantee all roots to grow and will replace those that do not grow. BUT YOU MUST RETURN THE ROOT I SEND YOU THE SAME SEASON OR I WILL NOT REPLACE THEM. THIS APPLIES TO EVERYONE WHO ORDERS.

Please order early as some varieties may be sold out.

It is well to send a second choice as I do not substitute.

Printed instructions are sent with each order.

Terms:—Cash with order or C. O. D.; but C. O. D. orders require a deposit of 50c. No mail order accepted for less than one dollar.

The new classifications of dahlias, as adopted by the American Dahlia Society. The following are the abbreviations: C, cactus, incurved, recurved or straight petals. S-C, semi-cactus, formerly hybrid cactus. FD, formal decorative, formerly decorative. ID, informal decorative, formerly hybrid decorative.

We will have green plants of the newer varieties at one-half the price of roots. The plants will be ready for shipment about May 15.

We have many other new varieties, but not enough to catalog. If you want something not in this list, please write me.
